

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered healthcare services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Please read the FEHB Plan brochure (71-004) that contains the complete terms of this plan. All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure and view the Glossary at www.apwuhp.com. You can call 1-800-222-2798 to request a copy of either document.

Important Questions	Answers		Why This Matters:
What is the overall deductible?	In-Network: <u>\$450</u> /Self Only <u>\$800</u> /Self Plus One <u>\$800</u> /Self Plus Family	Out-of-Network: <u>\$1,000</u> /Self Only <u>\$2,000</u> /Self Plus One <u>\$2,000</u> /Self Plus Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes: <u>Preventive services</u> , office visits, virtual visits, urgent care, prescription drugs, maternity, some lab work, hearing aids, chiropractic care and acupuncture.		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. See a list of covered <u>preventive services</u> at: https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.		You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	In-Network: <u>\$6,500</u> /Self Only <u>\$13,000</u> /Self Plus One and Self Plus Family	Out-of-Network: <u>\$12,000</u> /Self Only <u>\$24,000</u> /Self Plus One and Self Plus Family	The <u>out-of-pocket limit</u> , or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, non-covered services and balanced billed charges, \$300 copayment for non-PPO.		Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.apwuhp.com/our-plans/see-provider-networks/ or call 800-222-2798 for a list of <u>network providers</u> .		This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.

Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
